

## Chunky Wrist Warmers

### Pattern

You will need chunky wool, and size 6 needles

Cast on 30 stitches.

K1 P1 until it measures 7+

Cast off loosely.

Sew up the sides, leaving a gap to form a thumb hole.

To make the flower,

Cast on 66 stitches.

\*K1, cast off 9, repeat from \* to end of row (16 stitches).

Cut wool, and with a sewing needle thread wool through the remaining stitches.

Pull together and hey presto!

Sew flower on to back of each wrist warmer with a button in the middle of each if desired - or a couple of brightly coloured buttons will be just as effective
